### **Application For Actors of Lea Marlene Actors Studio who were financially impacted by the COVID-19 Coronavirus.**

**Holy bizarre times! Welcome to the new normal in our world where art is more important now than ever. It is impactful, it connects and it saves lives, no doubt about it.**

**Whether you're binging your favorite shows and movies, listening to music, reading, writing, or sitting huddled in the corner not sure what to do, we think you matter... because you do.**

**With that, we want to keep your a\*\* in class even if it is virtually. We are doing the best we can to continue supporting creatives such as yourself because art heals.**

**There is a scholarship donation button on our website. We also launched a facebook campaign to receive donations for this fund as an additional proactive measure. It is our mission to help as many actors as possible who can no longer afford to pay full tuition for class due to this pandemic.**

**While this fb campaign is still running, please be sure to share with your friends on social media etc. The more money we raise, the more we have to give. Thank you.**

**In the meantime, remember, you are not alone. We are all in this together. Stay strong. Let's do this!**

**Two easy steps for you and you're well on your way, break a leg! Or a pen...**
